

Skills for Work Scholarship

The Higher Education Commission (HEC) in collaboration with the Ministry of Education, Tertiary Education, Science and Technology have partnered with the Commonwealth of Learning (COL) which aims at offering 3,000 scholarships under the 'Skills for work program', for the period spanning 2021-2023.

Applications are invited from suitably qualified Mauritian Nationals for the Skills for work scholarship. The aims of the scholarships are to close the skills gap for in-demand and high-demand jobs and increase the chances of employment, both at the local level and abroad for Mauritian citizens.

ABOUT HIGHER EDUCATION COMMISSION

The Higher Education Commission (HEC) was set up in January 2020 as the Regulatory Body for higher education in Mauritius. The prime objective of the HEC, as a regulator, is to monitor and oversee the higher education sector. The Commission is responsible, amongst others, to promote the development of higher education, ensure high quality learning, encourage academic research, and support the development of a cultural life.
